

## MOUNTED FIELD SPRAYER HYDRAULIC BOOM

| MODEL                     |       | ALFA C+600           | ALFA C+800  | ALFA C+1000 | ALFA C+1300 |
|---------------------------|-------|----------------------|-------------|-------------|-------------|
| Material of Tank          |       | Polythene            | Polythene   | Polythene   | Polythene   |
| Capacity of Tank          | lt    | 600                  | 800         | 1000        | 1300        |
| Pump Model                |       | Onallar C96          | Onallar C96 | Onallar C96 | Onallar C96 |
| Pump Flow                 | l/min | 96                   | 96          | 96          | 96          |
| Pump Pressure             | Bar   | 50                   | 50          | 50          | 50          |
| Control Panel             |       | OSR50-5              | OSR50-5     | OSR50-5     | OSR50-5     |
| Work Width                | m     | 16                   | 16          | 16          | 16          |
| Nozzle Type               |       | Conical brass nozzle |             |             |             |
| Number of Nozzles         | pcs   | 33                   | 33          | 33          | 33          |
| Distance Between Nozzles  | cm    | 50                   | 50          | 50          | 50          |
| Boom Height Adjustment    |       | Hydraulic            | Hydraulic   | Hydraulic   | Hydraulic   |
| Boom's Folding Adjustment |       | Manual               | Manual      | Manual      | Manual      |
| Required Tractor Power    | HP    | 50                   | 50          | 50          | 50          |
| Operating Speed           | r/min | 540                  | 540         | 540         | 540         |
| Weight                    | kg    | 625                  | 642         | 651         | 670         |
| Length                    | cm    | 280                  | 280         | 280         | 280         |
| Width                     | cm    | 165                  | 165         | 165         | 165         |
| Height                    | cm    | 265                  | 265         | 265         | 265         |
